Hi! My name is Gabe.

I am learning about careers. Careers are made up of the jobs people have during their lives.

Do you know what you want to be when you grow up?

There are so many choices! We have a long time before we have to make up our minds. For now, it is fun just to look at some of the careers out there.

Let's take a peek at what you can become!

Some pages have a cocoon at the top of the page. The words by the cocoon are names of career clusters. A career cluster is a group of careers that have things in common. Some jobs fit into more than one cluster.

There are **16 CAREER CLUSTERS**.

Let's see what people like to do in each cluster.

Agriculture, Food & Natural Resources

These people like to work with plants, animals, rocks or water.

Architecture & Construction

These people like to draw or build things. They work on things like houses, bridges and buildings.

Arts, Audio/Visual Technology & Communications

These people like to be creative. Some write, dance, sing, act or draw.

Business Management & Administration

These people like to run companies.

Education & Training

These people like to teach new things and skills.

Finance

These people like to work with money.

Government & Public Administration

These people like to work for the public.
They work to make lives better.

Health Science

These people like to keep people
and animals healthy.

Hospitality & Tourism

These people like to help people when
they go on trips or go out to eat.

Human Services

These people like to help people,
families, and groups.

Information Technology

These people like to work with computers.

Law, Public Safety, Corrections & Security

These people like to keep people and places safe.

Manufacturing

These people like to work with machines. They put things together.

Marketing

These people like to sell things or services.

Science, Technology, Engineering & Mathematics

These people like to solve problems and test things. They like to use math and science.

Transportation, Distribution & Logistics

These people like to work with planes, trains, ships or vehicles. They move people and things.

Wow! I like to do a lot of the things listed in the clusters.

How about you? You have a long time before you need to figure out what you like the most. For now, let's look at some careers and see what you can become!
